Dogs in Art, Dogs in Life...

Don't miss the special appearance of **rare Chinese Crested dogs** from Showtime Cresteds (call for times). See "Man's Best Friend" in original Chinese Brush paintings and Western realist art, prints (including Victorian children with pets), cards, cloisonné, bronze and porcelain-- there's even a stone incense burner crowned with a silver dog!

Watch Chinese Brush Painting demonstrations...

beginning at 1:30, featuring dogs and horses by *Dog World* cover artist **Pamela Davis-Lumley**. The artist, who has won national awards in both genres, will compare the Chinese and European old masters' approaches to painting. In other demonstrations, she will tell stories from Chinese lore as she paints to the background music of Chinese tea balads.

Learn what it means to be born in the Year of the Dog...

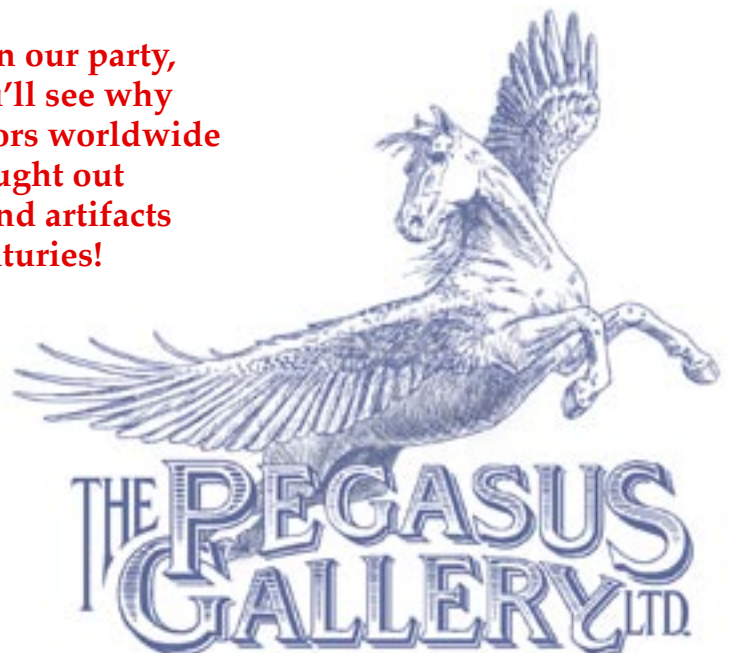

Cards on display throughout the gallery will extoll the virtues and give insight into the character of those born the year of the Dog since 1910. We'll even have a compatibility scale to show how dogs get along with other characters in the Chinese zodiac!

Discover our very unique selection of quality Asian paintings and objet d'art...

We're Moving!

**This may be the last major event we will host
at our Jacksonville location.**

Our new, expanded space will be in a Victorian
in Medford, currently under restoration.

Once our doors close in March, we will "go virtual"
and put the contents of our gallery online for e-commerce
until the new space is ready.

As a "Thank You" to those of you on our mailing list
who show up for our February 4 reception,
we will be giving out customer appreciation coupons good
for online shopping discounts.
